## Withholding Supplier Balance by Class

**Purpose**: Allows you to review total withholding transaction for the Supplier by the class.

Audience: Finance/Accounting

- You must have at least one of these local college managed security roles:
- ZD Accounts Payable Inquiry

If you need assistance with the above security roles, please contact your local college supervisor or IT Admin to request role access.

This allows you to review Supplier total withholding transactions by class and over a specified period of time. Based on the payment start and end dates, the system will total the payments per Withholding Class for the Supplier selected. Remember, withholding class indicates the reason for 1099 withholding, such as "Non-Employee Compensation". Also for results to be populated in the review, the Post Withholding process must have already been ran.
