### **Modifying CRC or FPC Grant Award End Dates**

#### Navigation: Grants > Awards > Modify End Dates

Please Note: In order to maintain balance between the Grant-side and Contract-side of an Award, the End Date must be updated on all four sets of tables; Contract lines, Associated Projects & Activities, Award Funding and Award Modifications. Once this process is completed, please submit a <u>Service Ticket</u> to request your project's End Date be updated in Commitment Control.

- 1. The **Modify End Dates** search page will display. Enter or look up the **Business Unit**.
- 2. Enter or look up the **Award ID** or **Project Number**.
- 3. Select Search.

- 4. The **Search Results** will display below. Select the **Results**.
- 5. The **Modify End Dates** page will display. Review the Award's five tables with listed **End Dates**.

If you have multiple lines in various sections, i.e. **Associated Projects & Activities**, be sure to select the **View All** link to be able to select all lines.
